

Swift Picker

A general-purpose gripper with wide applicability, high motion efficiency, a large adjustable range of grip force, and strong durability, meeting customers' needs for long service life and high-speed, high-performance grippers

Swift Picker

Compatible with Genie G2 High-Compute Edition
and Genie G2 Standard Edition

Product Highlights

Efficient Operation

Single opening/closing action takes only 0.25 seconds, shortening the operation cycle and suitable for high-throughput scenarios

Stable Grasping

Through optimized grip force control and structural design, effectively improving grasping reliability and stability

Reliable Quality

2 million opening and closing cycles, requiring no replacement during long-term continuous operation and effectively reducing O&M costs

Product Specifications

Total Stroke 90mm	Grip Force 10-95N	Opening and Closing Speed 0.25s
Weight 0.8kg	Protection Rating IP40	Gripper Height 106mm
Power-off Holding Disabled	Opening and Closing Cycles 2 million times	Communication Protocol CANFD
