

Titan Picker

A high-grip-force, high-reliability gripper suitable for industrial scenarios,
ensuring stable and wobble-free end-effector gripping

Titan Picker

Compatible with Genie G2 High-Compute Edition
and Genie G2 Standard Edition

Product Highlights

High Grip Force

Maximum grip force of up to 140 N, delivering stable and reliable gripping performance and ensuring the grasped object does not wobble

Stable and Reliable

Passed rigorous lifespan testing with a service life of 2 million cycles, ensuring long-term stable operation

Industrial Protection

Designed with IP67 industrial protection, featuring water and dust resistance to ensure stable operation in complex industrial environments

Product Specifications

Total Stroke 50mm	Grip Force 40-140N	Opening and Closing Speed 0.75s
Weight 1kg	Protection Rating IP67	Gripper Height 134.5mm
Power-off Holding Enabled	Opening and Closing Cycles 2 million times	Communication Protocol CANFD
